

Somethin' For Ya

LeToya

Yeah ohhh, what you do to me
I've been patiently waiting on you, I've been antisipating your
arival, so baby I
(I hope that you're ready) I hope that you're ready cause baby
I'm ready for you
(So close the door) cause I got so much to give I hope that you
can handle it
Cause if you only knew (knew), how I feel for you (you), I got
somethin' for you

Said I got somethin' for ya, so wont you come over babe (come o
ver)
Tell me do you get the picture, do you get what I'm saying (say
ing)
Said you got me so anxious, don't keep me waiting (come over)
Cause boy I got somethin' for ya, I got something for ya babe

Boy I tried to be, I tried to play it cool, but I can't help th
e way I want you
So tell me what (tell me what your feeling) tell me what your f
eeling (feeling) boy I gotta thing for you
(I don't know why) why I can't stop thinking, why I can't stop
wanting to be next to you
(You) boy you doing something to me I got something for you ohh
hh

Said I got somethin' for ya, so wont you come over babe (come o
ver)
Tell me do you get the picture, do you get what I'm saying (say
ing)
Said you got me so anxious, don't keep me waiting (come over)
Cause boy I got somethin' for ya, I got something for ya babe

(Can I make a suggestion) baby lets be alone (can I make a sugg
estion) take a hold of
Me and tell me what you think
(Can I make a suggestion) turn down the lights
(Can I make a suggestion) turn down the lights, cause I'm ready
for you

Said I got somethin' for ya, so wont you come over babe (come o
ver)
Tell me do you get the picture, do you get what I'm saying (say
ing)
Said you got me so anxious, don't keep me waiting (come over)
Cause boy I got somethin' for ya, I got something for ya babe
