

## This Song

LeToya

I wrote a song. Wanna hear it, hear it go.  
The perfect melody is my head.  
I got a songs thats meant for one thing.  
I got the candles lit I'm rocking my  
lapearla fit and pouring a glass of champagne.  
Si I've been planning the right time for me to tell you baby,  
But thats better if I show ya.  
Forget the radio cause I already wrote

I wrote this song this song specifically to make love to you bo  
y all night long night long.  
There'll Be no hesitation on my part I wrote  
I wrote this song this song specifically to make love to you bo  
y all night long night long.  
There'll Be no hesitation on my part I wrote

This ones for me would you mind if I run it back I lay my head  
back baby while you handle that.  
If you give me your best then I promise you baby your next toni  
ght.  
I don't need to hear kells and Marvin cause my body was already  
calling  
forget about deangelo how does it feel boy I already wrote. Ooh  
.

I wrote this song this song specifically to make love to you bo  
y all night long night long.  
There'll Be no hesitation on my part I wrote  
I wrote this song this song specifically to make love to you bo  
y all night long night long.  
There'll Be no hesitation on my part I wrote

Ooh.  
A half an hour ain't nothing.  
I swear that I ain't through.  
cause I'm gon' keep on loving keep on loving you.  
Cause you make me feel like a sho nuff women  
thats what you do and we don't need the quiet storm baby I wrot  
e this song..

I wrote this song this song specifically to make love to you bo
