

U Got What I Need

LeToya

Baby u got wat i need. Baby u got wat i need. (u got wat i need)

See me and u been through so much together. And i want u to know that I'm with u. Cause no one can do for me. like u do baby. and i'll never bail out on u baby. so u never have to question dis lady. so whenever u need me. i'll be there in a hurry.

Cause u got wat i need. u got wat i need. baby u got wat i need . and i want u close to me. cause no one makes me feel the way u do. baby u got wat i need. baby u got wat i need. dat's y i'm wit u.

Sum may say im carzy for lovin u. but they dont understand wat i do. so they can say wat they want. but it aint gonna change how i feel. cause im not gone ride for no one else but u baby. cause if u leave me i'll go crazy.

(cause i gotcha) till the end.
(i gotcha) no matter wat it is.
(i gotcha) wen its church time baby. whenever u need sumone.

walkin n da rain wit da one i love. feel so fine. walkin n da rain wit da one i love. on my mind.

Oh i like it. oh i like da lovin u give. the love dat i cant forget, oh give it to me. i dont want no one but u. all i need n my life is u. oh bring it to me. oh i like it. oh i like the lovin u give. the love that i cant forget, oh give it to me. i dont want no one but u. oh bring it to me.
