Clear Blue Water

Letters to Cleo

Cast out on clear blue water Saw nothing out there at all at all Picture a scene across to the other side Saw nothing out there at all

Pack up some scant possessions
For this trip you'll take to find
What's right in front of you
So you'll need some help on well good luck good byeâ?;

Take a look around you can't you see Walls are closing in "I can't breathe" you say

So it goes. so far like taking flight Near perfect, it feels like Spoon fed, it's like bliss. It's waning in and out and it Takes the air out like a centrifuge
