## He's Got An Answer

## **Letters to Cleo**

Ten thousand years have passed Don't matter much to him that Ten thousand years have passed before There's nothing he can't do

Nothing he won't say 'Cause don't you know He knows it anyway, anyway

He's got an answer for everything He's got an answer for everything

So if you want to know about Land-locked countries in Asia Under the strong-arm hold of Buddhists It's Nepal, it's Nepal, it's Nepal, Nepal It's Nepal, it's Nepal, it's Nepal, Nepal

He's got an answer for everything He's got an answer for everything He's got an answer for everything He's got an answer for everything

He's got an answer for everything He's got an answer for everything He's got an answer for everything He's got an answer for everything

He's got an answer for everything He's got an answer for everything He's got an answer for everything He's got an answer for...
