

When I was an infant in my mothers arms  
I would watch the starlight in her face  
'cause I was reaching out to understand the cosmic charm  
I am just a starchild born in space.

Way up high above the sky  
All that beauty passes by  
Whole worlds still unknown  
And out beyond the blue  
There's a place for people too  
It's time for us to go.

I have seen the sun shine bright in paradise  
I have been there, I have seen it

We have time  
(in my dreams)  
Time and space  
While we're young  
(floating free)  
We can chase to the stars.

Searching for the magic in the universe  
Guided by the stars that light my way  
I have seen the sun shine bright in paradise  
I am just a starchild born in space
