

## Talking In Your Sleep

Level 42

Oh, baby  
You've been talking in your sleep  
I've been lying here listening to  
A secret you had meant to keep inside of you

Were you dreaming of his face  
I can't begin to take it in  
I even know the time and place

Like the scene in a film that removes all doubt  
There's a shot of a man who wakes with a shout  
As he steps from a dream he figures it out  
That's me today

Like the end of a book where the plot unfolds  
But the lines on the page leave a tale untold  
Of a spy who never came in from the cold  
That's me today, yeah

Talking in your sleep  
Talking in your sleep

The force of love  
Is sometimes hard to resist  
But I never thought I'd see the day  
Never thought we'd come to this

So angry now  
And I'm sure you'd feel the same  
I heard it said you took his bed  
Though you barely knew his name

Like the boy leaving home with a hole in his heart  
Tries to fill up the void with a brand new start  
Not a day goes by when he's not torn apart  
That's me today

Like the way that it looks in a seaside town  
When the shutters go up and the flags come down  
And the beaches are bare, no-one around  
That's me today, yeah
