That's right, the pain keeps coming
So move it back, until you're five-feet from it
That's right, the pain keeps coming
So move it back, until you're five-feet from it

My hands are tied, but at least I try
'Cause I'm willing and able
Tell me why, is this mind so unstable?

This'll hurt worse than the first time
I'll take another blast, for the last time
This'll hurt worse than the first time
I'll take another blast, for the last time
This'll hurt worse than the first time
I'll take another blast, for the last time
This'll hurt worse than the first time
