Levon Helm

Aww, I'm itchy, and I don't know where to scratch  
Come here baby, scratch my back  
I know you can do it, so baby get to it

Aww, you're workin with it now  
You got me feelin' so good  
Just look to the sun now baby  
Ummmmm...

This little girl sho' knows how'd scratch  
Now, you're doin' the chicken scratch  
Aww, its lookin' good baby  
Just gettin' scratch  
That's what I'm talkin' bout
