King Fish

Levon Helm

There's a hundred-thousand Frenchmen in New Orleans In New Orleans there are Frenchmen everywhere But your house could fall down Your baby could drown Wouldn't none of those Frenchmen care

Everybody gather 'round Loosen up your suspenders Hunker down on the ground I'm a cracker And you are too But don't I take good care of you

Who built the highway to Baton Rouge? Who put up the hospital and built your schools? Who looks after shit-kickers like you? The Kingfish do

Who gave a party at the Roosevelt Hotel? And invited the whole north half of the state down there for fr ee The people in the city Had their eyes bugging out Cause everyone looked just like me

Here comes the Kingfish, the Kingfish Everybody sing Here's the Kingfish, the Kingfish Every man a king

Who took on the Standard Oil men And whipped their ass Just like he promised he'd do? Ain't no Standard Oil men gonna run this state Gonna be run by little folks like me and you

Here's the Kingfish, the Kingfish Friend of the working man The Kingfish, the Kingfish The Kingfish gonna save this land
