Early in the morning
When the church bells toll
The choir's gonna sing
And the hearse will roll
On down to the graveyard
Where it's cold and gray
And then the sun's gonna shine
Through the shadows
When I go away

Don't want no sorrow
For this old orphan boy
I don't want no crying
Only tears of joy
I'm gonna see my mother
Gonna see my father
And I'll be bound for glory
In the morning
When I go away

I'll be lifted up to the clouds On the wings of angels There's only flesh and bones In the ground Where my troubles will stay

See that storm over yonder
It's gonna rain all day
But then the sun's gonna shine
Through the shadows
When I go away

All my kin who love me All my friends who care

(I'm going home - Lift me up) When I go away (No more trouble - I'm going home) (Lift me up - When I go away) No more crying (I'm going home - Lift me up - When I go away) No more trials (I'm going home) Home to leave my worries in the ground (I'm going home - Lift me up - When I go away) No more troubles (I'm going home - Lift me up - When I go away) No more crying (I'm going home - Lift me up - When I go away) No more trials (I'm going home) Home to leave my worries in the graveyard Home to leave my troubles in the graveyard Home to leave my trials And I'll be bound for glory In the morning When I go away

Look beyond the dark clouds We're gonna meet up there

When they lay me in the cold ground Bow your heads and pray (Bow your heads and pray)

And I'll be bound for glory In the morning When I go away

And then the sun's gonna shine Through the shadows When I go away

(I'm going home - Lift me up) When I go away (No more trouble - I'm going home) (Lift me up - When I go away) No more crying (I'm going home - Lift me up - When I go away) No more trials (I'm going home) Home to leave my worries in the graveyard (I'm going home - Lift me up - When I go away) No more troubles (I'm going home - Lift me up - When I go away) No more crying (I'm going home - Lift me up - When I go away) No more trials (I'm going home) Home to leave my worries in the graveyard Home to leave my troubles in the graveyard Home to leave my trials And I'll be bound for glory In the morning When I go away

And then the sun's gonna shine
Through the shadows
When I go away
Ah, when I go away
When I go away
(When I go away)
When I go away
(When I go away)
When I go away)
