

# Grace

Lewis Capaldi

I'm not ready to be just another of your mistakes

I can't seem to drown you out long enough  
I fell victim to the sound of your love  
You're like a song that I ain't ready to stop  
I got nothing but you on my mind

I'm not ready to be just another of your mistakes  
Don't want to let the pieces fall out of place  
I was only just a breath removed from going to waste  
Till I found salvation in the form of your

Your Grace  
Your Grace  
Your Grace  
Don't take it away

Your Grace  
Your Grace  
Your Grace  
Don't take it away

On the verge of almost bleeding you out  
Are we too wounded now to ever come down  
Oh how I long for us to find common ground  
I got nothing but you on my mind

I'm not ready to be just another of your mistakes  
Don't want to let the pieces fall out of place  
I was only just a breath removed from going to waste  
Till I found salvation in the form of your

Your Grace  
Your Grace  
Your Grace  
Don't take it away

Your Grace  
Your Grace  
Your Grace  
Don't take it away

Way too close to colour your comfort  
All dressed up but kept undercover  
Way too close to colour your comfort  
All dressed up but kept undercover

Your Grace  
Your Grace  
Your Grace  
Don't take it away

I'm not ready to be just another of your mistakes  
Don't want to let the pieces fall out of place  
I was only just a breath removed from going to waste  
Till I found salvation in the form of your

Your Grace (Your Grace)  
Your Grace (Your Grace)  
Your Grace (Your Grace)  
Don't take it away

Your Grace (Your Grace)  
Your Grace (Your Grace)  
Your Grace  
Don't take it away
