Every little part of me is holding on to every little piece you Is holding on to every drop of blood you drew Is holding onto you And every waking hour I spend Holding out for reasons not to go to bed I'm holding out for someone else to hold instead If every hope of you is dead

'Cause every night since you cut and run
I feel like the only one who's ever been the lonely one
Trying to mend a heart that keeps breaking
With every step that you're taking

'Cause you've been running circles 'round My mind, turning me inside out
And I fell for you but hit the ground
'Cause the only love I've known has let me Down and I need lifting up
Now you ain't here I'm sleeping rough
And I'm praying I can pray enough
So waking up without you ain't so tough

Find it hard to find my feet When I keep on stumbling over you and me But I keep on trying 'cause I know I need To outrun the memories

And every day I'm reminded of
The way I let it come undone
I feel like the lonely one, the only one with time worth wasting
Well, I still can't stop chasing

'Cause you've been running circles 'round My mind, turning me inside out And I fell for you but hit the ground 'Cause the only love I've known has let me Down and I need lifting up Now you ain't here I'm sleeping rough And I'm praying I can pray enough So waking up without you ain't so tough, oh Tough, oh, tough Waking up without you

Say I
Thought I was talking to you
Say I
I guess I'm talking to myself
Me and nobody else

'Cause you've been running circles 'round My mind, turning me inside out And I fell for you but hit the ground 'Cause the only love I've known has let me Down and I need lifting up Now you ain't here I'm sleeping rough And I'm praying I can pray enough Jištenok Yng without you ain't so tough
