

Even If

Lewis Watson

Even if I apologise
I know,
There's still a hill to climb
And I know,
That I'll never quite convince you

Even if I apologise
I know,
That's not enough sometimes
Although
It's all I have to give you

It's called a big mistake
It's called a bad choice made
Then comes the slippery slide
To no kiss goodbye

Even if I apologise
I know,
I got a hill to climb
And I know,
That I'll never quite convince you

Even if I apologise
I know,
That's not enough sometimes
Although
It's all I have to give you

And every thought of her
Makes my regret grow worse
And I'd smash the whole thing down
If I could turn it round

Even if I apologise
I know,
I got a hill to climb
And I know,
That I'll never quite convince you

Even if I apologise
I know,
That's not enough sometimes
Although
It's all I have to give you

So I'll just stand here broken
'cause I haven't had any sleep
And I'm forcing my eyes open
To see reality
And the colours that I'm made of
Are pouring out of me

But I can't run away
From a big mistake
No I can't run away
From a big mistake

Even if I apologise
I know,
I got a hill to climb
And I know,
That I'll never quite convince you

Even if I apologise
I know,
That's not enough sometimes
Although
It's all I have to give you
