

## Hold On

Lewis Watson

How'd you mean  
What you mean you're not coming by  
I called you later and you were outside  
It always screams screams inside my head  
Curtains closed you'd be beside my head

You were always down for it  
Get in this getaway and be running from it  
Yeah, you were always down for it  
Get in this getaway and be running from it

You're giving me the coldest stare,  
Like you don't even know I'm here,  
Why don't we turn the leaf?  
Why don't we turn the  
Why don't we turn the leaf  
Why don't we turn the (2x)

What you've done, what you've done you can't keep inside  
By the end of the night I'll help you confide  
Cause I can see, see your sad self  
Cause I can see you're not being yourself

Cause usually you're down for it  
Can't hold back a smile when you try for it  
Yeah, usually you're down for it  
Can't hold back a smile when you try for it

You're giving me the coldest stare,  
Like you don't even know I'm here,  
Why don't you let me sing?  
Why don't you let me  
Why don't you let me sing  
Why don't you let me

You're giving me the coldest stare,  
Like you don't even know I'm here,  
Why don't you let me sing?  
Why don't you let me  
Why don't you let me sing  
Why don't you let me (2x)
