

# Nothing

Lewis Watson

I'd be more of a morning person  
If I got to wake up next to you  
Well, let me ask you something  
Would you be one too

And I'd climb 1000 mountains  
Just to meet you at the summit  
Well let me ask you something  
Would you climb too

Take my hand  
And I'll show you the way  
Look me in the eyes  
And tell me that you feel the same  
And if you want to run away  
I won't hesitate  
Because I'd have nothing  
If they take you away.

And I'd let you meet my parents  
Because I'm sure that they'd love you  
Let me ask you something  
Would yours like me too

And I hate it when we're separate,  
I just don't know what to do  
Well let me ask you something  
Does it affect you too

Take my hand  
And I'll show you the way  
Look me in the eyes  
And tell me that you feel the same  
And if you want to run away  
I won't hesitate  
Because I'd have nothing  
If they take you away.
