

Once Before

Lewis Watson

If you want, I could say your name.
Hold our breath, so we'll feel again.
I don't know if I could sacrifice; the weeks that I spent,
Holding on by a single thread.

But I've been spending all sleepless nights,
On the floor.
And now I don't even close my eyes,
Anymore.
And I don't want it to happen twice;
Cause we've been here once before.

It was you, said it all went wrong.
Well we were just fine yesterday,
Now today you're gone.
But now in a second glance,
You only need a second chance,
But I can't.
I'm afraid that I'm not that strong.

But I've been spending all sleepless nights,
On the floor.
And now I don't even close my eyes,
Anymore.
And I don't want it to happen twice;
Cause we've been here once before.

But I've been spending all sleepless nights,
On the floor.
And now I don't even close my eyes,
Anymore.
And I don't want it to happen twice:
Cause we've been here once before.
