

## A Fish On Land

Lhasa de Sela

Listen while you read!  
I had a dream last night  
A fish on land  
Gaspng for breath  
Just laughed  
And sang this song  
Is life like this for everyone  
Is life like this for everyone

I picked him up  
He had a human face  
I carried him  
To where the water was  
A grey and still and dusty thing  
A grey and still and dusty thing

I dropped him in  
And he could breathe again  
And then he grew  
And he became a man  
I knew that I would marry him  
I knew that I would marry him

I had a dream last night  
A fish on land  
Gaspng for breath  
Just laughed  
And sang this song  
Is life like this for everyone  
Is life like this for everyone?
