

# Remember When

Liam Finn

Remember when we lay awake in bed  
And you asked if it was over  
And I said that I need you  
Remember when the telephone went dead  
And we couldn't connect to  
Each other like we used to

I was waiting for someone else to blame  
I'm an open book  
Fallacy and shame  
Cos I lied to you  
I can't tell the truth

Remember when you made another friend  
And I knew what he was up to  
But I know that I can trust you  
Eventually  
I ached with jealousy  
And I don't know what came over me  
I fueled my whole anxiety

I was waiting for someone else to blame  
I'm an open book  
Fallacy and shame  
Cos I lied to you  
I can't tell the truth

Remember when you said that I was your best friend and  
that I could tell you anything
