

# I'm yours

Liam Payne

Well you done done me ynd you bet i felt it  
I tried to beat you but you're so hot that I melted  
I fell right through the craks  
And now I'm trying to get back  
Before the cool done rut out  
I'll be giving it my bestest  
Nothing's going to stop me but divine intervention  
I reckon it's again my turn to win some or learn some

I won't hesitate no more, no more  
It cannot wait, I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love love love love  
Listen to the music of the moment people dance and sing  
We're just one big family  
It's your God-forsaken right to be loved love love loved loved

So I won't hesitate no more, no more  
It cannot wait I'm sure  
There's no need to complicate  
Our time is short  
This is our fate, I'm yours

Don't cha want to come on,  
Scooch on over closer dear,  
And i will nibble your ear.

I've been spending way too long checking my tongue in the mirror  
And bending over backwards just to try to see it clearer  
My breath fogged up the glass  
And so I drew a new face and laughed  
I guess what i be saying is there ain't no better reason  
To rid yourself of vanity and just go with the seasons  
It's what we aim to do  
Our name is our virtue

I won't hesitate no more, no more  
It cannot wait I'm yours

Well no no, well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find the sky is yours

So please don't, please don't, please don't, There's No need to compl  
icate  
Cause' our time is short  
This is our fate, I'm yours
