

# One time

Liam Payne

When I met you girl my heart went knock knock  
Now them butterflies in my stomach won't stop stop  
And even though it's a struggle love is all we got  
So we gon' keep keep climbin' to the mountain top

Your world, is my world  
And my fight, is your fight  
My breath, is your breath  
And your heart

(And girl you're my) One love  
One Life  
My one heart for sure  
Let me tell you one time  
Let me tell you one time  
And I'ma be your one guy  
Always makin' time for you  
I'ma tell you one time  
I'ma tell you one time
