## **Everything Everything**

**Lianne La Havas** 

I can use my head again I always suffered then My heart is stolen, let it show But I'll run forever more You know there's not a soul alive Who understands you like I do It's okay my love, no need to explain There's nothing to say Your eyes said it all, all, alllll (All, all, allll) I'm not looking away Your eyes hold everything, everything Mmmm We should learn to breathe again Before we suffocate All this talk but even then We ex-communicate I've never known another love Who looks at me the way you do And sees the light, The dark, The truth And my real name You know there's not a soul alive Could understand you like I do Its okay my love, no need to explain Oh There's nothing to say Your eyes said it all, all, alllll (All, all, allll) I'm not looking away Your eyes hold everything, everything There's nothing to say Your eyes said it all, all, alllll (All, all, allll) I'm not looking away Your eyes hold everything, everything They told everything, everything Ohhh (Can use, can use my head again)
