## **No Room For Doubt**

## Lianne La Havas

You caught me, guilty Taking the pieces of you That night, you took flight I couldn't decide what to do

I won't let a safe bet Continue to make me feel blue I could go solo Would that be the right thing to do?

We all make mistakes, we do I learnt from you We all make mistakes, we do I learnt from you

I tiptoe, too slow Out of the door to your house I know you know That this was leads me out

Outside, too bright You're within I'm without You're within

We all make mistakes, we do I learnt from you We all make mistakes, we do I learnt from you

Please sleep softly Leave me no room for doubt Please sleep softly Leave me no room for doubt

Please sleep softly Leave me no room for doubt Please sleep softly Leave me no room for doubt Leave me no room for doubt

We all make mistakes, we do I learnt from you We all make mistakes, we do I learnt from you

We all make mistakes, we do I learnt from you We all make mistakes, we do I learnt from you, oh

Please sleep softly Leave me no Please sleep softly Leave me no room for doubt

Please sleep softly Leave me no Please sleep softly Leave me no room for doubt
