

## If You're a Wizard Then Why Do You Wear Glasses?

Liars

out of the bushes  
a girl  
it's getting cold  
outside  
it's getting cold

i would drink the water  
i would drink the water  
i would drink the water  
i would drink the water  
i would drink the water  
i would drink the water

We can break it down, witches!  
We can break it down, witches!

That's what your father said  
That's what your brother said  
That's what your father said  
That's what your brother said  
That's what your father said  
That's what your brother said  
That's what your father said  
That's what your brother said
