

Octagon

Liars

Live without break your heart
I will fall off.so
live in till .how much
you know how.
I.do you.
I thought, I'll live
I always thought you.
I want it all
I want it all
I knew it well
I knew you hell
Believe in.
there are.
they are real love
You believe in, you believe in you believe in .
You believe in, you believe in you believe in oh
You believe in, you believe in you believe in .
You believe in, you believe in you believe in oh
