Abide With Me

Libera

Abide with me; fast falls the eventide; The darkness deepens; Lord with me abide. When other helpers fail and comforts flee, Help of the helpless, O abide with me.

I fear no foe, with Thee at hand to bless; Ills have no weight, and tears no bitterness. Where is death's sting? Where, grave, thy victory? I triumph still, if Thou abide with me.

Hold Thou Thy cross before my closing eyes; Shine through the gloom and point me to the skies. Heaven's morning breaks, and earth's vain shadows flee; In life, in death, O Lord, abide with me.

In life, in death, O Lord, abide with me.
