

I Am The Day

Libera

I am the day, soon to be born
I am the light before the morning
I am the night, that will be dawn
I am the end and the beginning

[Chorus]

I am the alpha and omega
The night and day, the first and last
Illuminosa, immortalis
Sancta gloriosa
Illuminosa, immortalis
Sancta gloriosa
In aeterna

I am the life, soon to begin
I am the new hope in the morning
I am the darkness, soon to be light
I am the rising and the falling

[Chorus]

I am the alpha and omega
The night and day, the first and last
Illuminosa, immortalis
Sancta gloriosa
Illuminosa, immortalis
Sancta gloriosa
In aeterna

I am the day, soon to be born
I am the light before the morning

[Chorus]

I am the alpha and omega
The night and day, the first and last
Illuminosa, immortalis
Sancta gloriosa
Illuminosa, immortalis
Sancta gloriosa
In aeterna
