Lacrymosa Dolorosa Voca Me Libera Salva Me

You are the voice that calls in the silence You are the light that shines in the dark You hold me in any sorrow See me through every shadow Salva Me

You are the words of the song Lacrymosa
You are the light
Dolorosa
You are the music that plays
Voca Me, Libera
You are the voice
Salva me
You are the day

Lacrymosa Dolorosa Voca Me Libera Salva Me

You are the words of the song in the sunrise You are the music that plays at the dawn You hold me if I were falling Hear me if I am calling Salva Me

You are the words of the song Lacrymosa
You are the light
Dolorosa
You are the music that plays
Voca Me, Libera
You are the voice
Salva me
You are the day

Lacrymosa
Dolorosa
You are the voice that calls in the silence
You are the words of the song
You are the light
You are the voice
You are the music that plays
You are the voice
You are the light
You are the light
You are the day
