I was sitting in a crummy movie with my hands on my chin all that violence that occurs seems like we never win

Love and mercy are what you need tonight Oh, love and mercy to you and your friends tonight

I was lying in my room and the news came on TV There's a lot of people out there hurting and it really scares me

Love and mercy are what you need tonight Oh, love and mercy to you and your friends tonight

I was standing in the bar and watching all the people there All the loneliness in this world It's just not fair

Oohh, oohh.

Oh, love and mercy are what you need tonight
Oh, love and mercy to you and your friends tonight

Oh, Love and mercy are what you need tonight
Oh, love and mercy to you and your friends tonight

dooh, dooh.

Mercy and love
