

Veni Sancte

Libera

Veni Sancte

Veni Sancte Spiritu
O Lux creator optime

You are everywhere, anywhere I go
You are everything, anything I know

Sancte Spiritu
Veni Sancte Spiritu

I am everywhere, anywhere you go
emite coelitus lucis cordium,

Sancte Spiritu
Veni Sante Spiritu

For the wonder of who I am
In every moment of life
You are with me

Sancte, Sancte, veni Spiritu
Sancte veni, Sancte
Sancte, Sancte, veni Spiritu
Sancte veni, Sancte

If I take to the wings of the morning
or climb to the heavens
or fall to the darkness
or fly to the sunrise
you are there

O Lux Creator optime

You are everywhere, anywhere I go.
I am everything, anything you know.

Sancte Spiritu. Veni Sancte Spiritu
O Lux Creator optime.
[Dator munerum]
Emite coelitus lucis cordium
Sancte Spiritu Veni Sancte Spiritu
O Lux Creator Optime

For the wonder of who I am
In every moment of life and death
You are with me.
