

Being Nobody

Liberty X

Captured effortlessly,
That's the way it was,
Happened so naturally,
I did not know it was love,
The next thing I felt was you,
Holding me close,
What was I gonna do? I let myself go

And now we're flyin' through the stars,
I hope this night will last forever

I've been waitin' for you,
It's been so long,
I knew just what I would do,
When I heard your song,
Filled my heart with your bliss,
You gave me freedom,
You knew I could not resist, I needed someone

And now we're flyin' through the stars,
I hope this night will last forever, Oh oh oh oh

Ain't nobody (nobody baby)
Loves me better (loves me better)
Makes me happy (so happy)
Makes me feel this way
Ain't nobody (nobody yeah yeah)
Loves me better than you

I wait for night time to come,
And bring you to me,
Can't believe I'm the one,
I was so lonely.
I feel like no one could feel,
I must be dreamin',
I want this dream to be real, I need this feelin'

I make my wish upon a star,
And hope this night will last forever

Ain't nobody (nobody baby)
Loves me better (loves me better)
Makes me happy (so happy)
Makes me feel this way
Ain't nobody (nobody yeah yeah)
Loves me better than you

At first you put your arms around me (First you put your arms around me) Then
you put your charms around me (Then you put your charms around me)
I can't resist this sweet surrender (I can't resist this sweet surrender)
Oh my nights are warm and tender (oh my nights so warm and tender)
We stare into each other's eyes (We stare into each other's eyes)
And what we see is no surprise (and what we see is no surprise)
Got a feeling most will treasure (Got a feeling most will treasure)
And a love so deep we cannot measure

Ain't nobody (nobody baby)
Loves me better (loves me better)
Makes me happy (so happy)
Makes me feel this way
Ain't nobody (nobody yeah yeah)
Loves me better than you

Ain't nobody (nobody baby)
Loves me better (loves me better)
Makes me happy (so happy)
Makes me feel this way
Ain't nobody (nobody yeah yeah)
Loves me better than you
