Liberty X

Breathe  
Breathe with me baby  
Don't say goodbye  
Don't leave me baby  
Breathe

Don't say I'm giving you some attitude  
I'm just taking my own time  
Now you're questioning where I draw the line  
(yeaaaah)

I don't wanna say goodbye  
(I don't wanna say goodbye)  
I don't wanna leave tonight  
(Tell me why you're leaving)  
I don't wanna wait for time  
(yeah yeah)  
So I can call you mine

Baby please, Make some room for me  
I was lost, but now you're gonna find  
I don't want to belong to you  
I just need a little more time  
To help me breathe  
(yeah, yeah, yeah, yeah, yeah, oh)

I'm trying to understand your point of view  
But it's taking much too long  
For you comprehend you're doing me wrong  
oh yeah

I don't wanna say goodbye  
(I don't wanna say goodbye)  
I don't wanna leave tonight  
(tell me why you're leaving)  
I don't wanna wait for time  
(yeah yeah yeaaaaaaah)  
But I don't wanna be your lie  
Woah woah woah

Baby please, Make some room for me  
I was lost (I was lost)  
But now you're gonna to find  
I don't want belong to you  
I just need a little more time  
to help me breathe  
(to breathe)  
(yeah, yeah, yeah, yeah, yeah, oh)  
Yeah, yeah

'Cause I don't know what you want from me  
And I don't know what I'm meant to be  
Everytime you try to say to me  
I just need a little more time  
(yeah yeah)

Baby please, Make some room for me

I was lost but now your gonna find  
I don't want  
(I dont want)  
to belong to you  
I just need a little more time  
(no no)

I'm not saying Goodbye  
I just need some more time to breathe  
(yeaaaaaaah)

I'm just waiting for time to breathe  
(oh yeah)
