

# In My Bed

Liberty X

Have you ever woke up in the morning?  
Everything is dark and  
I don't feel like rising  
Can't face another day unfolding  
Out of dreams into routines  
Why can't it be easy to start a new day  
Why does it always feel the same?  
How can it get hard in a beautiful day  
Nothing is gonna change  
So I'm just gonna stay

In my bed  
Feeling fed up  
Pull the sheets over my head  
Take no calls  
F\*\*k it all  
Had enough of standing tall  
Daytime TV  
Home delivery  
I'm gonna hide away  
Nobody's gonna find me  
Nobody can find me  
In my bed  
(In my bed)  
Nobody can find me  
In my bed

Can't believe the kind of world  
We're living in  
Wanna go on a talk show  
Tell everybody where you've been  
Kinda makes me think of  
How it coulda been  
So now I'm counting my blessings

Maybe my life isn't as bad as it seems  
Maybe I'll never know what it all means  
Maybe tomorrow is bringing a change  
But until then  
I'm just gonna stay here

In my bed  
Feeling fed up  
Pull the sheets over my head  
Take no calls  
F\*\*k it all  
Had enough of standing tall  
Daytime TV  
Home delivery  
I'm gonna hide away  
Nobody's gonna find me  
Nobody can find me  
In my bed  
(In my bed)  
Nobody can find me  
In my bed

Don't wanna see nobody, no  
(I wanna be alone)  
I wanna be alone

What can I do  
To improve how I'm feeling  
Gotta release all the tension  
I'm needing  
Tossing and turning  
I stare at the ceiling

What can I do  
To improve how I'm feeling  
Gotta release all the tension  
I'm needing  
Tossing and turning  
I stare at the ceiling

Nobody can find me  
In my bed  
Feeling fed up  
Pull the sheets over my head  
Take no calls  
F\*\*k it all  
Had enough of standing tall  
Daytime TV  
Home delivery  
I'm gonna hide away  
Nobody's gonna find me  
Nobody can find me  
In my bed  
(In my bed)  
Nobody can find me  
In my bed

In my bed  
Feeling fed up  
Pull the sheets over my head  
Take no calls  
(In my bed baby)  
F\*\*k it all  
Had enough of standing tall  
Daytime TV  
Home delivery  
I'm gonna hide away  
Nobody's gonna find me  
Nobody can find me  
In my bed  
(In my bed)  
Nobody can find me  
In my bed

Don't wanna see nobody, no  
(I wanna be alone)  
I wanna be alone  
Nobody can find me  
In my bed
