

Watcha Doin' Tonite

Liberty X

Are you ready
'Cause I'm ready
So lets ride...

Yo it's time to ride
You know it's time to ride
Yo it's time to ride
You know it's time to ride

Wake up time
Five to nine
Rushing out the door for the 9 to 5
Ride the subway to the end of the line
Like I'm sleep walkin' don't feel alive
Going nowhere fast
Running out of gas
Really feel the need for some
Drunk on the mainstream
Stock in the system
Just another face if you blink you'll miss 'em

Lost in the rat race
No free space
Heard suburbia
Got a new pace but it's too late to slow it down
And it keeps on goin' round and round

Tell me whatcha doin' tonight
Drop what you got lets ride til the tank is empty
Baby got rubber to burn
It's my turn on the Harley not about the Bentley
Leave 'em in the dust behind
The road don't mind where you're comin' from
It's all about the journey
Tell me watcha doin' tonight
Watcha doin' tonight
Watcha doin' tonight

Left, left
Left, right left
Left, left
Left, right left

Nuttin' I own
I really need
Only thing I love is my
On the highway
Do it my way
Wind in my hair
All my troubles gone sideways

No escape clause
In my life
Break through invisible doors
They're locked tight
By my own fear but the times near
Unplug myself

Get my life into 5th gear
Yo it's time to ride
You know it's time to ride
Yo it's time to ride
You know it's time to ride

Yo it's time to ride
You know it's time to ride
Yo it's time to ride
You know it's time to ride

Watcha doin' tonight
Drop what you're doin'
Ride 'til the tank goes empty
I got rubber to burn
Jump on the Harley
Forget about the Bentley
Gonna leave 'em behind
Jump on the ride
'Cause it's abll about the journey
Watcha doin' tonight
Watcha doin' tonight
Watcha doin' tonight
Watcha doin' tonight
