

## ED-209

Lich King

Construct of the ruling class  
The pride of OCP  
Delta City police droid  
See its mounted turrets gleam  
Criminals, you'd best submit  
You know it can't be bargained with  
Expressionless the officer  
Surrender to the peace machine

ED-209  
Evildoers, say your prayers  
ED-209  
Twin autoguns it wears  
ED-209  
Only way to ever beat it is  
Just to take the stairs
