

I face my demons  
Wrestling these angels to the ground  
And all that I could find  
Was a thin line between all the saints  
And villains it was crossed  
In my own mind

Some day I'm gonna find it  
Wish I knew what I was looking for  
Inside the disarray (inside the disarray)  
I woke up this morning  
Don't know where I'm going  
But it's alright  
I wouldn't have it any other way

Struggling between the facts and fiction  
I'm alone but I'm alive  
Everyone around me is trying to make a statement  
Then there's me  
I'm just trying to survive

Some day I'm gonna find it  
Wish I knew what I was looking for  
Inside the disarray (inside the disarray)  
I woke up this morning  
Don't know where I'm going  
But it's alright  
I wouldn't have it any other way

If this was any other day  
I'd pretend to know where I stand  
I just don't know  
I just don't know  
I just don't know

Some day I'm gonna find it  
Wish I knew what I was looking for  
Inside the disarray (inside the disarray)  
I woke up this morning  
Don't know where I'm going  
But it's alright  
I wouldn't have it any other way

Someday I will find it  
Wish I knew what I was looking for  
Inside the disarray (inside the disarray)  
I woke up this morning  
Don't know where I'm going  
But it's alright  
I wouldn't have it any other way
