

# Everything

Lifehouse

Find me here, when speak to me  
I want to feel you,  
I need to hear you  
You are the light that is leading me  
To the place where I find peace again

You are the strength that keeps me walking  
You are the hope that keeps me trusting  
You are the life to my soul  
You are my purpose  
You are everything

And how can I stand here with you  
And not be moved by you  
Would you tell me how could it be  
Any better than this

You calm the storms, when you give me rest  
You hold me in your hands  
You won't let me fall  
You still my heart  
And you take my breath away  
Would you take me in  
(Would you) take me deeper now

And how can I...2x

Cause you're all I want  
You're all I need, you're everything  
Everything

And how can I stand here with you  
And not be moved by you  
Would you tell me how could it be  
Any better than this
