

Everything

Lifehouse

Find me here, when speak to me
I want to feel you,
I need to hear you
You are the light that is leading me
To the place where I find peace again

You are the strength that keeps me walking
You are the hope that keeps me trusting
You are the life to my soul
You are my purpose
You are everything

And how can I stand here with you
And not be moved by you
Would you tell me how could it be
Any better than this

You calm the storms, when you give me rest
You hold me in your hands
You won't let me fall
You still my heart
And you take my breath away
Would you take me in
(Would you) take me deeper now

And how can I...2x

Cause you're all I want
You're all I need, you're everything
Everything

And how can I stand here with you
And not be moved by you
Would you tell me how could it be
Any better than this
