

## From Where You Are

Lifehouse

So far away from where you are  
These miles have torn us worlds apart  
And I miss you, yeah I miss you

So far away from where you are  
I'm standing underneath the stars  
And I wish you were here

I miss the years that were erased  
I miss the way the sunshine would light up your face  
I miss all the little things  
I never thought that they'd mean everything to me  
Yeah I miss you  
And I wish you were here

I feel the beating of your heart  
I see the shadows of your face  
Just know that wherever you are  
Yeah I miss you  
And I wish you were here

I miss the years that were erased  
I miss the way the sunshine would light up your face  
I miss all the little things  
I never thought that they'd mean everything to me  
Yeah I miss you  
And I wish you were here

So far away from where you are  
These miles have torn us worlds apart  
And I miss you, yeah I miss you  
And I wish you were here
