

Halfway Gone

Lifehouse

1. You were always hard to hold
So letting go aint easy
Im hanging on but growing cold
While my mind is leaving

P: Talk, talk is cheap
Give me a word you can keep

R: Cause youre halfway gone and Im on way
And Im feeling, feelin feelin this way
Cause Im halfway in but dont take too long
Cause Im halfway gone, Im halfway gone

2. You got one foot out the door
And choking on the other
Always think theres something more
Its just around the corner

P:

R:

3. If you want me out, then Im on my way
And Im feelin, feelin feelin this way
Cause youre halfway in, but dont take too long
Cause Im halfway gone, Im halfway gone (wohoww wohoww)
Im halfway gone, Im halfway gone (wohoww wohoww)
Now Im halfway gone, Im halfway gone

Dont take too long, dont take too long
Cause Im on my way
If you take too long

R:

If you want me out, then Im on my way
And Im feelin , feelin feelin this way
Cause youre halfway in, but dont take too long
Cause Im halfway gone, Im halfway gone (wohoww wohoww)
Cause Im halfway gone, and Im halfway gone (wohoww wohoww)
Cause Im halfway gone, yeah Im halfway gone
