

Hanging by a Moment

Lifehouse

Desperate for changing Starving for truth
I'm closer to where I started Chasing after you
I'm falling even more in love with you
I'm letting go of all I've held on to
I'm standing here until you make me move
I'm hanging by a moment here with you
Forgetting all I'm lacking Completely incomplete
I'll take your invitation You take all of me

I'm living for the only thing I know
I'm running and quit sure where to go
And I don't know what I'm diving into you
Just hanging by a moment here with you

There's nothing else to lose
There's nothing else to find
There's nothing in the world
That could change my mind
There is nothing else
There is nothing else

Desperate for changing...

Just hanging by a moment here with you
Just hanging by a moment here with you
