

# Mesmerized

Lifehouse

I'm filling a space  
Burning a chapter of your life  
This was the place that only you would know  
Walking away  
Watching the ashes as they fall

Reaching into your eyes  
I can feel you crawling  
Through my veins like  
Catching the first sunrise  
Mesmerized

Sever the skies  
Bury the truth  
Forget the time  
These were the years  
You tried to leave behind

Whatever we are  
I still remember the way we were

Reaching into your eyes  
I can feel you crawling  
Through my veins like  
Catching the first sunrise  
Mesmerized

Sometimes when I'm with you  
These feelings falling  
Like a landslide  
As both of our dreams collide
