Somebody Else's Song

Lifehouse

Can't change this feeling I'm way out of touch. Can't change this meaning-it means too much.

Never been so lonely, never felt so good. Can't be the only one misunderstood.

I remind myself of somebody else.

I'm feeling like I'm chasing, like I'm facing myself alone. I've got somebody else's thoughts in my head I want some of my own I want some of my own I want some of my own

Can you see me up here? Would you bring me back down? I've been living to see my fears as they fall to the ground.

I remind myself of somebody else.

I'm Feeling like I'm chasing, like I'm facing myself alone. I've got somebody else's thoughts in my head. I want some of my own I want some of my own I want some of my own

Am I hiding behind my doubts? Are they hiding behind me? I'm closer to finding out it doesn't mean anything.

I remind myself of somebody else now.

Feeling like I'm chasing, like I'm facing myself alone. I've got somebody else's thoughts in my head. I want some of my own I want some of my own I want some of my own
