

Somewhere In Between

Lifehouse

I can't be losing sleep over this, no I can't
And now I cannot stop pacing.
Give me a few hours, I'll have this all sorted out
If my mind would just stop racing

Cause I cannot stand still;
I can't be this unsteady;
And this cannot be happening.

This is over my head but underneath my feet
Cause by tomorrow morning I'll have this thing beat
And everything will be back to the way that it was.
I wish it was just that easy

Cause I'm waiting for tonight.
Then waiting for tomorrow.
And I'm somewhere in between
What is real, and just a dream.
