

Take Me Away

Lifehouse

This time all I want is you
There is no one else
Who can take your place

This time you burned me with the way
You see past all the lies
You take it all away

I've seen it all and it's never enough
It keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say
Just take me away

I try to make my way to you
But still I feel so lost
I don't know what to say, what else to do

I've seen it all and it's never enough
It keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say
Just take me away

Don't give up on me yet, don't forget who I am
I know I'm not there yet, but don't let me stay here alone

This time all I want is you
There is no one else
Who can take your place

I've seen enough and it's never enough
It keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say
Just take me away

You take me away
Take me away
I've got nothing left to say
Just take me away
