1. This doubt is screaming in my face
in this familiar place
sheltered and concealed
And if this night won't let me rest
Don't let me second guess
What I know to be real

Put away all I know for tonight
And maybe I just might learn to let it go
Take my security from me and maybe finally
I won't have to know everything

R: I am falling into grace to the unknown to where you are a
nd

Faith makes everybody scared it's the unknown the don't know
That keeps me hanging on and on to you

R:

2. I got nothing left to defend
No I cannot pretend that everything makes sense
But does it really matter now
If I do not know how to figure this thing out

R:

I'm against myself again
Trying to fit these pieces in
Walking on a cloud of dust
To get to you
