1. This doubt is screaming in my face  
in this familiar place  
sheltered and concealed  
And if this night won't let me rest  
Don't let me second guess  
What I know to be real

Put away all I know for tonight  
And maybe I just might learn to let it go  
Take my security from me and maybe finally  
I won't have to know everything

R: I am falling into grace to the unknown to where you are and

Faith makes everybody scared it's the unknown the don't know  
That keeps me hanging on and on to you

R:

2. I got nothing left to defend  
No I cannot pretend that everything makes sense  
But does it really matter now  
If I do not know how to figure this thing out

R:

I'm against myself again  
Trying to fit these pieces in  
Walking on a cloud of dust  
To get to you
