

# Walking Away

Lifehouse

The sun goes down as the city lights  
Pave their way through the darkest night  
Raindrops fall as an old man cries  
Never thought to ever think twice

Of all he had  
Of all he lost  
A selfish life  
And guess comes with the cost

Hey, remember me  
I remember you walking away  
Hey, remember me  
I remember you walking away

The same old streets just a different name  
Same old house just the family's changed  
Pickett fence  
The window stains  
Freedom spells by a man in chains

Silence is all we have to give  
And the memories of a life I wish we'd lived

Hey, remember me  
I remember you walking away

Hey, remember me  
I remember you walking away

From all that you made  
That you lost  
Or threw away  
Traded in for a brand new life  
But I can't  
Can't let go  
Can't turn around  
Hold my head high and walk away

Hey, remember me  
I remember you walking away

Hey, remember me  
I remember you walking away
