

# Who We Are

Lifehouse

Live my life around a picture  
Taken when we met  
Spending all of my time  
Chasing your silhouette  
For all we go through  
I don't wanna change you  
It's my mind running in reverse  
Trying not to forget  
Who we were  
Where it's at  
Here we go

And we break and we burn  
And we turn it inside out  
To take it back to the start  
And through the rise and falling apart  
We discover who we are

Struggling with my thoughts  
Change the locks inside my head  
Reading between the lines  
Of what you say, and what you said  
I turn the radio on  
To drown me out  
Driving through the night to nowhere  
Trying to forget  
Who we were  
And where it's at  
Here we go

And we break and we burn  
And we turn it inside out  
To take it back to the start  
And through the rise and falling apart  
We discover who we are

And it's all  
To the wind  
It's all  
In our hands

It's all  
To the wind  
It's all  
In our hands
