

## Parade

Lifer

it's raining  
i know you think that everyone is looking at you  
why do you think everyone is looking at you?  
you think it's funny?  
well i'm starting to  
you better get in  
it's raining on your parade  
you better go back inside  
before the big one comes and washes us all away  
i know you think that everyone is looking at you  
why do you think everyone is looking at you?  
you think you're stunning  
well i'm stunning too  
you better get in  
it's raining on your parade  
you better go back inside  
before the big one comes and washes us all away  
when the sun shines  
and dries up all of the rain  
it's all the same, it doesn't matter  
but if it doesn't shine  
and take away the blame  
then it's not the same  
it's not the same  
you wanted this, another point of view  
and then i saw another side of you  
roses turn black when i'm blue  
fuck me?  
well fuck you too!  
it's raining on your parade  
you better go back inside  
before the big one comes and washes us all away  
when the sun shines  
and dries up all of the rain  
it's all the same, it doesn't matter  
but if it doesn't shine  
and take away the blame  
then it's not the same  
it's not the same
